Official Form 101

Voluntary Petition for Individuals Filing for Bankruptcy

06/24

The bankruptcy forms use you and Debtor 1 to refer to a debtor filing alone. A married couple may file a bankruptcy case together—called a joint case—and in joint cases, these forms use you to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be yes if either debtor owns a car. When information is needed about the spouses separately, the form uses Debtor 1 and Debtor 2 to distinguish between them. In joint cases, one of the spouses must report information as Debtor 1 and the other as Debtor 2. The same person must be Debtor 1 in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

Part 5:

Explain Your Efforts to Receive a Briefing About Credit Counseling

 Tell the court whether you have received a briefing about credit counseling.

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About	Debtor	4	
ADOUL	Denioi	т.	

You must check one:

☐ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

☐ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any.

☐ I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

I am not requ	ired to	receive	a briefing	about

incapable of realizing or making rational decisions about finances.

☐ **Disability.** My physical disability causes me to be unable to participate in a

briefing in person, by phone, or through the internet, even after I reasonably tried to do so.

Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court.

For you if you are filing this bankruptcy without an attorney

If you are represented by an attorney, you do not need to file this page. The law allows you, as an individual, to represent yourself in bankruptcy court, but you should understand that many people find it extremely difficult to represent themselves successfully. Because bankruptcy has long-term financial and legal consequences, you are strongly urged to hire a qualified attorney.

To be successful, you must correctly file and handle your bankruptcy case. The rules are very technical, and a mistake or inaction may affect your rights. For example, your case may be dismissed because you did not file a required document, pay a fee on time, attend a meeting or hearing, or cooperate with the court, case trustee, U.S. trustee, bankruptcy administrator, or audit firm if your case is selected for audit. If that happens, you could lose your right to file another case, or you may lose protections, including the benefit of the automatic stay.

You must list all your property and debts in the schedules that you are required to file with the court. Even if you plan to pay a particular debt outside of your bankruptcy, you must list that debt in your schedules. If you do not list a debt, the debt may not be discharged. If you do not list property or properly claim it as exempt, you may not be able to keep the property. The judge can also deny you a discharge of all your debts if you do something dishonest in your bankruptcy case, such as destroying or hiding property, falsifying records, or lying. Individual bankruptcy cases are randomly audited to determine if debtors have been accurate, truthful, and complete. Bankruptcy fraud is a serious crime; you could be fined and imprisoned.

If you decide to file without an attorney, the court expects you to follow the rules as if you had hired an attorney. The court will not treat you differently because you are filing for yourself. To be successful, you must be familiar with the United States Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and the local rules of the court in which your case is filed. You must also be familiar with any state exemption laws that apply.

Schedule C: The Property You Claim as Exempt

04/25

this is an

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on Schedule A/B: Property (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of Part 2: Additional Page as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions—such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds—may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

For any prope	rty you list on <i>Schedule A/B</i> tl	hat you claim as exem	pt, fill in the information below.

Part 3: Treatment of Secured Claims

Secured Claims. Each holder of an allowed secured claim, which is paid in full during the life of the plan and for which the collateral is not surrendered, shall retain the lien securing the claim until the earlier of: (1) payment of the underlying debt as determined under non-bankruptcy law; or (2) discharge. Should this case be dismissed or converted before the plan is completed, the lien securing an allowed secured claim shall be retained by the holder to the extent recognized by non-bankruptcy law.

Adequate Protection Payments. Unless otherwise ordered, if a secured creditor is being paid through the Trustee, then all Section 1326(a)(1) adequate protection payments shall be made through the Trustee in the amount set forth in this Proposed Plan. The Trustee is not obligated to make any pre-confirmation adequate protection payments to a secured creditor until that creditor files a proof of claim.

Stay Relief. If relief from the automatic stay is ordered as to any item of collateral listed in Part 3, then the Trustee is authorized to cease all payments to the secured creditor.

3.1 Direct Payments Made by the Debtor on Secured Debts. The Debtor is not in arrears on the secured debts listed below and will directly maintain the current contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule. When the contractual term of a direct pay obligation expires before the end of the Debtor's applicable commitment period, the Debtor will commit the direct payment amount (less amounts necessary to pay taxes and insurance that were previously part of an escrow account) to payments under the Plan upon completion of the contract, unless otherwise provided in Section 8.1. The Trustee may adjust the actual number of payments remaining without further

notice based on the creditor's filed proof of claim.

Claim No. (if known)	Secured Creditor	Collateral	Current Installment Payment	Estimated No. of Payments Remaining

3.2 Cure of Arrearage and Maintenance of Payments. Any existing arrearage will be paid in full by the Trustee at 0% interest unless otherwise indicated. The Trustee will maintain the contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule. The amount of the arrearage and on-going payment listed in a creditor's timely filed and allowed claim controls over the amount listed below and such a creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim.

3.3 Secured Claims Excluded from 11 U.S.C. 506. The claims listed below were either: (1) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the debtor(s), or (2) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value. Claims that are modified in a Chapter 13 plan must be paid through the Chapter 13 Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated. If relief from the automatic stay is ordered as to any item of collateral listed below, then the Trustee is authorized to cease all payments to the secured creditor. The dollar amount listed in a creditor's timely filed and allowed claim controls over the dollar amount listed below and the creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the dollar amount of the creditor's proof of claim. Absent a timely filed objection to this plan, the Trustee will pay the bankruptcy *Till* rate of interest, proposed below, or the proof of claim contractual repayment rate of interest, whichever is lower.

3.4 Other Treatment of Secured Claims. The Debtor proposes the following treatment:

3.5 Secured Claims that are Subject to a Separate Motion or Adversary Proceeding Based on Valuation. This Plan does not value claims. To value a claim pursuant 11 U.S.C. 506, the Debtor must file and serve a separate motion pursuant to Fed. R. Bankr. P. 3012, 7004, 9014(b), or, as applicable, file an adversary proceeding under Fed. R. Bankr. P. 7001, or submit an agreed order to the court resolving value. The information provided below is for information purposes only, and the Debtor's valuation stated herein is subject to change, without the need to modify the plan, based on the resolution of any motion, adversary proceeding, or pursuant to the terms of an agreed order regarding valuation. The amount of the creditor's claim in excess of the Debtor's valuation for the collateral shall be treated with other general unsecured claims and paid pro rata provided that the creditor timely files a proof of claim. If an order is entered treating the claim as wholly unsecured then the creditor's lien will be avoided pursuant to 11 U.S.C. 506.

3.6 Lien Avoidance. This plan does not avoid judicial liens or nonpossessory, nonpurchase money security interests under 11 U.S.C. 522(f). To avoid such liens, the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed. R. Bankr. P. 7004 and 9014(b). The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The information provided below is for information purposes only, and the information provided is subject to change, without the need to modify the plan, based on the resolution of the Debtor's motion to avoid lien. The monthly payment amount and the duration of payments is subject to the Trustee's discretion. The amount of the creditor's avoided lien, if any, shall be treated with other general unsecured claims and paid pro rata provided that the creditor timely files a proof of claim. The Debtor discloses the intention to avoid liens held by the following creditors:

3.7 Surrender or Sale of Collateral. For property the Debtor proposes to sell, a separate motion and proposed order must be filed which provide the details of the sale. Court approval must be obtained for the hire and use of a professional to sell property. After the payment of secured debts and the costs of sale, all net proceeds shall be paid to the Trustee for distribution. Property to be sold by the Debtor that is not sold in the applicable time period listed below will be surrendered to the creditor unless the Trustee or Debtor requests additional time, or unless the Debtor modifies the plan to retain the collateral and cure existing defaults. A secured creditor entitled to a deficiency claim must file that claim within 90 days of the date that the real or personal property is surrendered, or within 30 days of a sale that is conducted by the Debtor, unless otherwise ordered by the Court. Any allowed unsecured claim resulting from the disposition of the collateral will be paid pro rata with all other general unsecured claims. The Debtor requests that upon confirmation of this plan the stay under 11 USC 362(a) and 1301 be terminated with respect to surrendered collateral. This request is not a motion, is not goverend by 11 USC 362(d) or (e), and no fee is owed.

4.1 General. Unless the holder of a priority claim agrees to different treatment, Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in Section 4.4.1, will be paid in full without post-petition interest. Any agreement for different treatment should be formalized in a joint stipulation between the priority creditor and the Debtor and be filed with the Court.

4.2 Trustee's Fees. The Trustee's fee is governed by statute and may change during the course of the case. The Trustee's fee is estimated to be 10% of the Total Plan Base

4.3 Attorney's Fees. After a debtor's Chapter 13 plan is confirmed, the Chapter 13 Trustee shall pay all outstanding attorney's fees concurrently with any secured debt payments and any domestic support obligation that is to be paid by the Trustee; provided, however, that funds are to be applied first to long term mortgage debts paid through the Trustee, second to equal monthly payments to other secured creditors, third to domestic support creditors, and only then to attorney's fees.
